

Our ideas
matter and can
transform places
where we live!

EMPATHY MAP

How does waste affect
your school, your home and your neighborhood?

Let's think together and put our ideas in each other's place!

Small actions,
great
transformations!

THINK

What do you think about waste
and the problems it causes?

FEEL

How do you feel when you see waste
at your school, at your home or in
your neighborhood?

SEE

What do you see at your school,
at your home and in your
neighborhood related to waste?

HEAR

What do you hear people say
about waste and about cleaning
the place where we live?

SAY

What do you say about waste
and caring for the environment?

DO

What do you do day by day
in relation to waste?

PAINS

What are the problems, difficulties or things
that bother you when the topic is waste?

GAINS

What would improve the situation of waste at your school,
at your home and in your neighborhood? What changes
would you like to see?
